Mr. Scott MacFarlane  
4001 Nebraska Avenue, NW  
Washington, DC 20016

Dear Mr. MacFarlane:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000764), dated May 11, 2015, in which you requested the following:

1. A full list of all GSA owned motor vehicles (including year, make, model and office/individual to whom it is assigned) registered or maintained in DC, MD or VA.; and
2. A full list of all GSA leased motor vehicles (including year, make, model and office/individual to whom it is assigned) registered or maintained in DC, MD or VA.

Enclosed please find the documents responsive to your request on the Excel Chart in two separate Worksheets. These documents include the District of Columbia, Maryland and Virginia vehicle inventory for both the GSA leased fleet, as well as the GSA-owned and operated fleet. This information includes, as requested, the year, make, model and office to which the vehicle is assigned. The vehicles are separated into two tabs for GSA-leased vehicles and GSA-owned vehicles.

The GSA leased fleet accounts for approximately one-third of the Federal fleet, which are vehicles that GSA leases to other Federal agencies. The remaining two-thirds of the Federal fleet are agency-owned or commercially leased vehicles and inventory information would need to be provided by each individual agency. Vehicles that GSA operates/owns internally are part of the GSA leased fleet as it is a 100 percent leased fleet.

This completes our action on this FOIA request. Should you have any press-related questions, please contact Ms. Kamara Jones, Press Secretary, by email at [media@gsa.gov](mailto:media@gsa.gov).

Sincerely,

*Travis S. Lewis*

FOIA Branch Director
